GMBH**

— EST. 1998 —

We have been operating as a booking agent for more than 20 years and are specialists in offering superb dangerous and plains game hunting trips on over 3 million acres of pristine wildlife areas across Mozambique, Namibia, South Africa, Uganda and Zimbabwe.

# WELCOME TO CW JAGDKONTOR

## YOUR PREFERRED OUTFITTER IN AFRICA

We offer exceptional hunting safaris and other leisure trips across five wildlife-rich countries situated in the central and southern part of this remarkable continent.

Christian Weth established CW Jagdkontor, a booking agency for international hunters, in 1998. Today, more than 20 years later, we still operate and have since expanded our services in offering not only superb African tours but also project management and trading operations.

CWJ's core business is to ensure that each and every client has a unique and memorable experience. We focus on personalised safaris, fit to the preferences of each hunter as well as his/her companions. Our hunting operations now include not only con-

cessions in Uganda but also areas in Mozambique, Namibia, South Africa and Zimbabwe. We have partnered with Chapungu-Kambako Safaris, allowing us to offer a greater variety of safaris in southern Africa with more exclusive free-range concessions and more endemic trophies. Besides our sport hunting safaris CWJ also arranges photographic and fishing tours. All our operations are based on sound and legal conservation approaches and we highly value ethical hunting and business practices.

If Africa is on your horizon then don't hesitate to contact us. Let CW Jagdkontor arrange your trip and make your ideal safari a reality.

# MOZAMBIQUE

EXPERIENCE THE PRISTINE MIOMBO WOODLANDS AND TOWERING GRANITE MOUNTAINS OF THE NIASA RESERVE.

This unspoiled concession in northern Mozambique totals approximately 1,400,000 acres within the 70 miles of Lugenda river frontage. The Niassa is every big game hunter's ultimate dream as it is home to four of the Big Five as well as hippo and crocodile. There are healthy numbers of endemic and rare species, including the Niassa wildebeest, Böhms zebra, Roosevelt sable and Livingstone suni to name a few.

Here we have access to two hunting camps. Kambako main camp offers five luxurious thatched air-conditioned units with en-suite bathrooms and an open-air lounge/dining area graced with a superb infinity pool. Litule bush camp consists of three comfortable safari en-suite tents and the open-air dining and

lounge area have a spectacular 3-mile view up the river. Kambako Safaris furthermore boast with an idyllic lodge on one of the pleasant beaches of Pemba. Here at Pemba Beach Lodge you can enjoy a day or two of relaxation after your safari.

Several commercial flights fly to Pemba (POL) from where you will be escorted through to your private one-hour charter flight to camp. This is definitely a must-do for the individual seeking a wild, off-the-grid safari.

- Hunting season is from 1 June - 30 November.
- Malaria area
- Big game hunting: buffalo, crocodile, leopard, lion

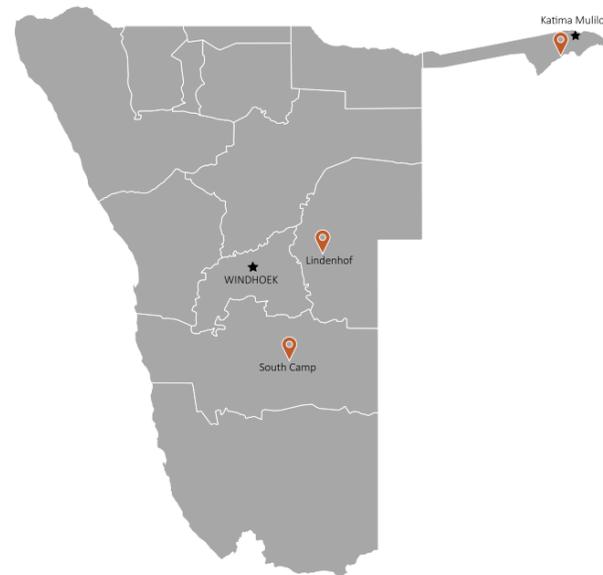

# NAMIBIA

**EXHILARATING HUNTS ON OVER 370,000 ACRES OF OWNER-MANAGED LAND, STRETCHING FROM THE CAPRIVI IN THE NORTH TO THE KALAHARI DESERT IN THE SOUTH.**

The flagship reserve, Lindenhof Game Ranch, covers 27,000 acres and is situated 1.5 hours drive from Hosea Kutako International Airport. It hosts more than 30 species of game including leopard, brown hyena, cheetah and sable. Lindenhof is an ideal area for bow hunting as the landscape consists of typical African savannah with tall grass and large camel thorn trees.

In addition, we also offer safaris in the famous Caprivi strip. Here we have access to some of the best hunting concessions which are situated on the banks of the Chobe River. This region plays host to a variety of plains and big game species as well as an abundance of bird life. Buffalo, hippo and elephant are key trophies here.

You can expect tailored safaris fit for every taste and budget. Your hosts will ensure a welcoming, comfortable and relaxed stay while looking after your every need. Join us on a safari for the Big Five or other indigenous species only found in Namibia like the Damara dik-dik or Black-faced impala.

- Hunting season is from 1 February - 30 November.
- Malaria FREE area
- Lindenhof Big game hunting: leopard and cheetah
- Caprivi Big game hunting: elephant, buffalo, crocodile, hippo

# SOUTH AFRICA

AT THE SOUTHERN MOST TIP OF AFRICA, SOUTH AFRICA IS THE PREMIER HUNTING DESTINATION ON THE CONTINENT AND IS IDEAL NOT ONLY FOR THE HUNTER BUT ALSO FOR HIS COMPANIONS.

Kalahari Oryx, a diamond in the rough, consists of over 212 000 acres making it the largest privately owned hunting concession in the country. Situated amongst the red dunes of the Kalahari desert, this game reserve boasts with four of the Big 5. The five-star private lodge is ideally located with four thatched air-conditioned units and a swimming pool overlooking the beautiful arid landscape. Apart from the big game and other plains game such as kudu, springbuck, oryx and eland, one can also find sable, roan and nyala here. Being malaria free, having its own asphalt airstrip and traveling only on a 1,5-hour flight from Johannesburg makes Kalahari Oryx one of the most exclusive hunting destinations in South Africa.

- Hunting season is from 1 February - 30 November.
- Malaria FREE area
- Big game hunting: Buffalo, lion, rhino

# UGANDA

KNOWN AS THE PEARL OF AFRICA, UGANDA IS BLESSED WITH AN EXTRAORDINARY VARIETY OF SPECIALTY GAME THAT PROMISES AN UNFORGETTABLE HUNTING EXPERIENCE.

This landlocked country is situated in eastern and central Africa, bordered in the east by Kenya, in the north by South Sudan, by the Democratic Republic of Congo in the west and by Rwanda and Tanzania in the south. The southern part of the country includes a substantial portion of Lake Victoria and Uganda lies almost completely within the Nile basin.

We hunt four concessions namely the Kafu River Basin, Ajai Wildlife Reserve, Aswa-Lolim Ranches and Karamoja North. Specialty game animals include a variety of endemic species, such as Uganda kob, Nile buffalo and Jackson's hartebeest. Although not endemic to Uganda, this is the prime location to collect exceptional East African Sitatunga.

Lodging in the field will be either in traditional East African safari tents or traditional grass thatched bungalows serviced by trained staff, while the menu caters for a variety of cuisines such as Indian, African or German. Port of entry is through Entebbe

International Airport. Join Uganda Wildlife Safaris and experience not only an unbelievable hunting trip but also the beauty of the country and the friendliness of its people.

- Hunting season is throughout the year.
- Malaria area. Yellow Fever vaccination is needed.
- Speciality game: East African Sitatunga and Nile buffalo.

# ZIMBABWE

THE UNTAMED ENVIRONMENT OF THIS UNIQUE COUNTRY MAKES ZIMBABWE STILL ONE OF AFRICA'S TOP SAFARI DESTINATIONS.

It has a rich hunting history with stories from legendary hunters and explorers such as Selous, Roosevelt and Livingstone, contributing to its famous old-style African safari ambience.

We offer sublime big game hunting in the lush Mopane forests spanning 864,000 acres in the north-western part of the country. Zimbabwe is filled with excellent game specimens and is renowned for its dangerous game such as elephants, hippo, crocodile, lion, leopard and buffalo.

We have access to some of the best concessions in the country which includes the Matetsi / Forestry areas, Binga on Lake Kariba and Tsholotsho South / Plumtree which in our opinion

is currently the best area in Africa to hunt big elephant bulls. It shares a 47-mile unfenced border with the Hwange National Park and the modern en-suite thatched bungalows offer a relaxed and comfortable stay.

There are three major ports of entry into Zimbabwe, namely Harare, Bulawayo and Victoria Falls.

- Hunting season is from 1 February - 30 November.
- Malaria area.
- Big game hunting: elephant, leopard, lion, hippo and croc.

## FISHING TRIPS IN UGANDA

CW JAGDKONTOR IS THE EXCLUSIVE BOOKING AGENT FOR NILE FISHING TRIPS THROUGH UGANDA WILDLIFE FISHING SAFARIS.

This country is any angler's dream destination with numerous lakes and rivers to fish from. Huge Nile perch, catfish and Tiger fish are among the species you will find. It proves to be an unforgettable adventure and it is also ideal as a side trip to add to your safari. While out fishing you will also have the chance to spot some hippo, crocodile, elephant and unique birdlife of the area.

Our operation is based at Murchison's Falls National Park, one of the foremost sport fishing destinations in the country. It can either be done in half or a full day trips. The fishing is from the rocks on the bank of the river as well as from a boat anchored slightly lower downstream.

The most successful fishing months vary from year to year, but generally it is accepted that the drier months produce better fishing results - December to March and June to October. We catch all year round as it's just that in these months there is less chance of rain, the water level is lower and clearer. Murchison Falls lies in the northwest of Uganda, approximately 6 hours drive from Kampala.
